Files of general periodicals, such as the *Arena*, *Atlantic Monthly*, *Forum*, *Independent*, etc., are to be found in all the larger libraries and their location is not generally indicated in the text.

Files of the *Railway Review*, *Railway Age Gazette* and its predecessors, the *Railway Age* and the *Railroad Gazette*, are to be found in most of the public and university libraries. The *Archiv für Eisenbahnwesen* is to be found in most of the university libraries. Files of the *Railway World* are to be found approximately complete in the following libraries: Bureau of Railway Economics, Harvard University, Hopkins Railway Library, Interstate Commerce Commission, John Crerar, Library of Congress, New York Public, Pliny Fisk, United Engineering Societies, University of Pennsylvania and Yale.

The figures which follow titles, such as 7-23725, represent the Library of Congress printed card numbers by which the cards may be ordered for use in cataloging.

No attempt has been made to include in this list references to the larger subject of the relations of railways to the state, or to books and articles that are merely descriptive of state railroads.

In the preparation of this list the Bureau of Railway Economics has received valuable assistance from the Division of Bibliography of the Library of Congress and from the New York Public Library.
